Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the Kings County Association of Governments (KCAG) 2008/09-2011/12 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
5	Local Element <ul style="list-style-type: none">Adds, deletes or modifies projects from various funding programs in KCAG region. The amendment includes projects with funding from the Congestion Mitigation and Air Quality Improvement Program, State Transportation Improvement Program, Section 130 Railway-Highway Crossings Program, and the American Recovery and Reinvestment Act of 2009.

See enclosure.

The Kings CAG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained and meets the requirements of public involvement procedures adopted by KCAG.

Pursuant to the authority delegated to me, I approve KCAG Amendment Number 5. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2009 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only.
